YOUR DONATION WILL BE MATCHED
DOLLAR FOR DOLLAR UP TO \$20,000!

ONE COMMUNITY. ONE MISSION. OUR CHILDREN'S FUTURE. NATIONAL DAY OF GIVING.

During these times of uncertainty it is our children who need us most.

To answer that need, your local YMCA and Big Brothers Big Sisters organizations are coming together as part of **NATIONAL DAY OF GIVING** and we are not alone! Local financial institutions have partnered to help us meet this need. As part of National Day of Giving, the lenders that you rely on in tough financial times will **match your donation dollar for dollar** for the month of November and ending on National Day of Giving on Tuesday, December 1, 2020.

HOW DOES YOUR GIFT HELP A CHILD IN MANITOWOC COUNTY?

- \$50** helps one child enroll in the BBBS program where they will meet with their mentor ("Big") weekly.
- \$100** allows five children to be enrolled in youth sports at the Y. Annually the Y has more than 2,000 school-aged children participate in wellness programs.
- \$250** provides funding for five mentors ("Bigs") to be enrolled – including interviews, background checks, and training. Provides financial assistance to a teen aspiring to be a future leader in the YMCA Youth in Government program.
- \$500** helps directly support three children and their families served by Big Brothers Big Sisters in Manitowoc – including securing basic needs, "Shop with a Cop" program, special events, and referrals.
- \$1,000** provides financial assistance to school-aged children who participate in Summer Y BREAK. 35% of children in the program are considered "at-risk" due to the family income.
- \$1,500** supports one community-based match for an entire year.

WE ARE UNITED AS ONE!

YES! I want to support children and our future with a gift.
