Welcome Back! We're so glad to have you back at the Y. Our primary goal, as always, is to support the health of our community—a goal that has taken on a very different look and requires modifications to our usual operations. We thank you for your cooperation as we work together to create the safest and most welcoming and positive environment for all.

- By signing this agreement, I agree that all members of my household under my active membership will not enter the Y or participate in a Y program if they have any of the following symptoms:
 - Fever
 - Cough (new onset or worsening of chronic cough)
 - Sore throat
 - Chills
 - Shortness of breath
 - Muscle pain
 - Headache
 - New loss of taste or smell
- I further agree to maintain a distance of at least 6 feet from any other member or staff person who is not a member of my household.
- I will do what I can to help others feel safe and consider wearing a mask in common areas (hallways, restrooms, stairwells, etc.)
- If I see something that feels unsafe or negatively impacts my member experience, or if I have an idea that will improve my (or another's) experience, I will let a staff member know immediately.
- Despite the Y's best efforts to maintain a clean and safe environment, I recognize that by coming to the Y, I am potentially exposing myself and those under my membership to contagion and I knowingly assume this risk.
- I have updated my email with the front desk staff (this remains our best way to communicate with our members—we will not use it for any purpose other than member communication).

We're glad you're back. Thank you for helping us keep our entire community healthy and safe.
